Dear 

Thank you for your letter of November 8, 1989, which I received today.

I appreciate the good work that you did for the Coast Guard in Hawaii. I am confident that agencies in Texas could use someone of your ability who could assist in time of need.

I suggest that you call on Senator Lloyd Bentsen's office in Texas to let them know of your specialties.

Thank you for your support of the assistance you have given.

Aloha,
